BRIEF ABSTRACT OF LETTER.

Reports that owing to the dis-repaired condition of the Temple building, the lands were resumed to Govt. and fully assessed, and recommends that as the building was repaired 5 years ago and worship revived therein, the resumed lands may be re-granted as inam for the benefit of the institution.

measuring a g 11-28 and assessed at Rs 3 of as inam. From the Inam register, a copy of which is available in the records, it will be seen that for 2 reasons, the inam was resumed to Govt and fully assessed on 20th December 1872. The first is that the Temple was in ruins and the second is that "The enjoyment of the inam by Gopalaswami alluded to in the account of 1859 seems to be unauthorised" (vide colu 19 of the register). From columns 13 & 14, it may be seen that in the accounts of 1801 and 1832, the name of "Lakshminarayana Swami" was mentioned, while in the account of 1859, the name of "Gopalaswami" came to be mentioned. The Inam Assistant seems to have therefore recommended the resumption of the inam.

5. According to column 8 of the extract Dry No. 25 & wet No. 120 appear to have been granted free for the worship of Gopalaswamy in the village as per account of 1832. According to columns 13 & 14 the same lands appear to have been granted to Lakshmi narayanaswamy as per accounts of 1801 & 1832 -

6. Again as per account of 1859 some lands are shewn against Gopalaswamy. It is not clear whether they are different lands or the same as above -

7. It will be seen from columns 19 & 20 that the grant was resumed as being unauthorized and as also the pagoda was in ruins -
